

RED LION SPORTSWARE AND ATHLETIC PHYSICAL REQUIREMENTS

In an effort to create a contactless approach to handing in paperwork, all Red Lion Area School District athletes will be required to create and possess an online SportsWare account. This account will be used to enter relevant medical and insurance information, contact information, physicals, and recertification forms for the winter and spring seasons. This account will remain active until the student-athlete graduates from RLASH.

Please ensure that you retain the log-in and password information as this account will need to be accessed for EACH athletic season your child participates in. Registering for SportsWare ensures that you will receive, via email, all pertinent information regarding athletic physicals and information specific to this process. **A PARENT/GUARDIAN should be the primary source of entering data into the account. Please make sure the email used is checked regularly, this is how we communicate information to you.**

*****IF you have multiple children within the school system, you can use the same email address BUT you will need a different password to create separate accounts.*****
